Children's Book Series

Dedication:

This book is dedicated to the local English teachers who supported us throughout our year in Taiwan. We are deeply grateful. We wrote this book hoping that, in some small way, we could leave behind a story that would foster interest and excitement in English learning. This is our present to the future generations of both local and Fulbright teachers in Yilan County.

Fulbright Children's Book:

The authors are from the Fulbright Taiwan English Teaching Assistant (ETA) program, which promotes English language instruction in Taiwan and provides cultural exchange opportunities for Americans and the people of Taiwan. ETAs were full-time teaching assistants at elementary schools in Yilan from 2010-2011. Special thanks for the financial support from Yilan County Government, professional design by HESS Educational Foundation, and the help of the American Institute in Taiwan (AIT).
