THE FULBRIGHT PROGRAM

傅爾布萊特計畫

The Fulbright Program was established in 1946 in the aftermath of WWII, as an initiative of Senator J. William Fulbright of Arkansas, who believed that a program of educational and cultural exchange between the people of the United States and those of other nations could play an important role in building lasting world peace.

The purpose of the program is "to enable the government of the United States to increase mutual understanding between the people of the United States and the people of the other countries." Grants are made to U.S. citizens and nationals of other countries for a variety of educational activities, primarily university teaching, advanced research, graduate studies, non-academic professional programs in specified fields, and language teaching.

Since 1946, over 380,000 talented people worldwide have been awarded Fulbright Scholarships. It is now the largest and one of the most prestigious, educational scholarship programs in the world and operates between the U.S. and more than 160 countries. There are 59 Nobel Laureates and 84 Pulitzer Prize winners who were Fulbright Grantees.

傅爾布萊特計畫成立於1946 (民 35)年,由阿肯色州參議員傅爾布萊特 先生提案。記取二次世界大戰的教訓, 他相信通過教育與文化之交流,讓美國 與各國人民相互了解,將有助於增進世 界和平。傅爾布萊特計畫的目的是「增 進美國政府、美國人民與各國人民的相 互了解」。每年提供獎學金與美國及各 國公民,支持高等教育講學、研究、進 修與專業人才交流等各種教育活動。從 1946年起,全球已經有超過38萬人次獲 得傅爾布萊特獎學金。至今,這個計畫 是美國與全球超過155個國家間最龐大 也最知名的教育交換計畫之一。獲獎者 中共有59位諾貝爾獎得主及84位普立茲 獎獲獎人。

THE FOUNDATION FOR SCHOLARLY EXCHANGE

學術交流基金會

Eric Nevalsky, Yilan ETA, school principal Jehao Chang, and students plant a tree at Kaisyuan Elementary School to celebrate 60 Years of Educational Exchange with Fulbright Taiwan.

Short History ^{基金會簡史}

The Foundation for Scholarly Exchange (Fulbright Taiwan), supported by the American Institute in Taiwan (AIT), Taiwan's Ministry of Education (MOE), and Ministry of Foreign Affairs (MOFA), is one of the 49 bilateral organizations in the world established specifically to administer the Fulbright educational exchange program. The other 100+ bilateral Fulbright programs are administered by U.S. embassies.

Over the past 60+ years, the Foundation has financed over 1600 Taiwan grantees to the U.S. and more than 1400 U.S. grantees to Taiwan. In 1962, the Foundation began the U.S. Education Information Center providing Taiwan students with information about studying in the U.S. Starting in 2003 with 8 teachers, the Foundation began cooperating with Yilan County Government in the Fulbright English Teaching Assistant (ETA) project. Over 15 years, the partnerships have extended to Kaohsiung City, Kinmen County, Taichung City, Taipei City, NTCPA, Taitung County, Hualien County, and Changhua County. In 2018, 113 Fulbright ETAs serve in local schools.

Starting in 2014, the Foundation developed its first strategic partners with the private sector and universities. The Formosa Plastics Group instituted a joint scholarship to support Taiwanese Scholars and Professionals in Early Intervention and Geriatric Health Promotion and provided financial support for Taitung ETAs. The Taiwan Cement Corporation joined in 2018 to support the ETA program. New MA and PhD scholarships for Americans were instituted with National Taiwan University, National Chengchi University, National Cheng Kung University, and National Taiwan Normal University.

In 2017, the foundation celebrated the "60 Years of Educational Exchange" with a Fulbright Thought Leader Forum on the theme of "Leadership Challenge: Equity, Ethics, and Globalization." In addition, the Ministry of Culture also instituted a joint scholarship to support Taiwanese Professionals in Arts Administration, Policy Research and Development, International Marketing in Art and Culture, and Copyright Policy Studies in Art and Culture. In all, up to 226 places are now available for US and Taiwan grantees.

學術交流基金會經費來源主要由中華民國政府外交部和教育部編列年度預算,美方則由國務院編列預算,透過美國在臺協會(AIT)支付,是世界各地50個傳爾布萊特基金會之一,專門執行傳爾布萊特交換獎學金的業務,另外約100個國家的傳爾布萊特交換計畫則由美國當地大使館負責。

六十年來,基金會已經選送超過1600位台灣獲獎人前往美國深造,亦選送超過1400位美國獲獎人來台交流。自1962(民51)年起,基金會成立美國教育資訊中心,專為預備赴美留學之生提供諮詢及資料服務。自2003(民92)年起,基金會與宜蘭縣政府開始合作英語協同教學助理至官關縣政府、台中市政府、台東縣政府、台中市政府、台北市政府、台東縣政府、花蓮縣政府以及彰化縣政府亦陸續與基金會開始合作此項計畫,今年共有113位傳爾布萊特美籍英語協同教學助理於此八縣市服務。

在2014(民103)年,基金會首度與私人企業及國立大學合作組成策略夥伴。台塑集團與基金會成立聯合獎學金資助台灣學者與專業人員至美國研究早期療育與老人健康促進,並贊助台東縣英語協同教師計畫。台泥企業團亦於2018(民107)年加入支持英語協同教師計畫的行列。此外,國立臺灣大學、國立政治大學、國立成功大學以及國立臺灣師範大學與基金會成立聯合獎學金贊助美國優秀學生來台攻讀碩士及博士。

在2017(民106)年,基金會慶祝【教育交流一甲子】,並舉辦傅爾布萊特領袖論壇,以21世紀領導者的挑戰【公平、倫理與全球化】為題。同年,文化部與基金會成立聯合獎學金,贊助台灣專業人員及創作藝術家赴美研究藝術管理、政策研發、國際行銷(文化藝術領域)及著作權研究(文化藝術領域)。本年度基金會共計有226名獎助席次可提供給台灣與美國受獎者。

more knowledge conflict.

"When you decided to go through the highly competitive process to win a Fulbright scholarship, we trust you had Senator Fulbright's vision in mind. Receiving a Fulbright invokes 'a privilege not a right.' Receiving a Fulbright creates an obligation. So, think about the mission and the hundreds of ways you can embrace it.

You will find Taiwanese and Americans eager to help. In terms of building knowledge, you have a particular task or project to complete. You undertake that in a joint partnership between you, your hosts, and Fulbright Taiwan. We hope to help make all three legs of that triangle as strong as possible. We hope you can maximize your experiences, enhance Senator Fulbright's vision, and contribute to the cultivation of knowledge.

The cross-cultural mission is central to 'a little less conflict.' We hope that your goodwill and efforts bring understanding between America and Taiwan and that you take home a healthy dose of these wonderful cultures. At its best, this interaction promotes mutual understanding. Look at your fellow grantees in this booklet and get to know them. You should be impressed. Reach out to some. Equally, I hope you reach out to the colleagues you meet in Taiwan or America.

In the months ahead, let us know if you need assistance. We are happy and ready to be of service. We wish you a very pleasant and productive stay in America or on this beautiful island. We wish you a very pleasant and productive fellowship. We are pleased you chose Fulbright for your experience."

Dr. William C. Vocke, Jr. Executive Director, Fulbright Taiwan 執行長 李沃奇博士

Taiwan Fulbright Alumni Association 台灣傅爾布萊特 學友會

The Taiwan Fulbright Alumni Association consists of professionals and scholars who have studied or conducted research in the US over the last 60+ years. After returning to Taiwan, most serve at their previous organizations. They teach, make contributions and provide feedback in each of their domains, and have significant influence on Taiwanese education, academia, culture, arts, and policy. To stay in touch, enhance friendship, and promote international academic cultural exchanges, the Taiwanese Fulbright alumni established the "Taiwan Fulbright Alumni Association" to serve as an exchange platform among alumni.

The Taiwan Fulbright Alumni Association received its non-profit certificate from the Ministry of Interior in 1992. Its first president was the former president of National Taiwan University, Dr. Zhen Sun. The current and twelfth president is Dr. Jih-Chu Lee, the Vice Chairperson of the Shin Kong Financial Holding Co., Ltd. The Taiwan Fulbright Alumni Association holds its alumni supervisory committee co-ordination meeting between January and February and holds its alumni general conference between April and May. A variety of alumni exchange activities are held annually, such as alumni reading clubs, concerts, and seminars on the experiences of studying in the US. These provide Taiwanese Fulbright alumni an opportunity to exchange and share experiences in academia, culture, art, and education.

Fulbright Taiwan U.S. Alumni Network 台灣傅爾布萊特 學友會 (美國)

I saw that America was an open, peace-loving, democratic, and just society governed by law. I learned how U.S. culture attached importance to peace and justice, so that as I lived in Taiwan in later years, I found it very easy to get along with people, and I was able to resolve problems with good reasoning. I must say that the Fulbright Exchange Program has been resoundingly successful for its exchange students in terms of raising the standard of their academic excellence, helping to create their successful career, and promoting their understanding about people on an international level.

Dr. Paul Chiu (邱正雄) Former Vice Premier of Taiwan Supreme Advisor, Bank Sino-Pack Taiwan Fulbright Grantee 1968-73 "Officially established in May 2015, the Fulbright Taiwan U.S. Alumni Network already has over 250 members spread throughout the world. We believe that the common experience that we all share-living in one of the world's loveliest countries-- will enable alumni to develop strong friendships over time. As such, our goal is to grow slowly but steadily. We created three chapters in areas with a high concentra-

tion of alumni, hosted a gathering in each location, and setup an Alumni Directory so that our members can connect with each other on an individual basis. But more than anything, we are here to pursue the Fulbright goal of international exchange by deepening and strengthening our mutual connection to Taiwan."

The U.S. Education Information Center (USEIC) located within Fulbright Taiwan is one of the State Department - affiliated EducationUSA advising centers. It was founded in 1962 and, for many years, was the only EducationUSA advising center in Taiwan. The U.S. remains the top destination for Taiwan students studying abroad. Taiwan used to be the number one sending country of foreign students to the U.S. It remains the number seven top sending country.

EducationUSA is a network of hundreds of advising centers in 170 countries, where millions of international students each year find accurate, comprehensive, and current information about how to apply to accredited U.S. colleges and universities.

The EducationUSA network is supported by the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA), which strives to foster mutual understanding between the people of the United States and the people of other countries.

EducationUSA advisers and staff work with U.S. higher education professionals to promote international student enrollment.

Elyse Mark, Fulbright US MA Student, exchange thoughts at the Fulbright Midyear Conference

Worldwide, the Core Fulbright Scholar Program offers opportunities for over 1200 Americans and 900 non-U.S. grantees for teaching, research, or combination teaching/research awards in over 125 countries. Opportunities are available for college and university faculty and administrators as well as for professionals, artists, journalists, scientists, lawyers, independent scholars, and many others. Between Taiwan and the U.S. there are approximately 50 scholars and non-academic professionals who receive a grant each year, 10-15 Americans and 30-40 Taiwanese. Taiwan also sponsors 12 Fulbrighters in the International Education Administrators program (IEA).

During their grants, Fulbrighters meet, work, live with, and learn from the people of the host country, sharing academic and daily life. Programs facilitate cultural exchange through direct interaction on an individual basis in the classroom, field, home, and routine tasks. This allows grantees to gain an appreciation of others' views, beliefs, behaviors, and thought processes. Cross-cultural exchange in the Fulbright tradition is the added dimension that hopefully over time enables 'a little less conflict.'

FSE hosts various exchange programs to promote the U.S.-Taiwan exchange activities as the broader mandate of the Fulbright program. FSE English Teacher Training & Research Awards is an illustration of the special focus on English Education. FSE TEFL Trainers lead and provide advice to the English Teaching Assistants (ETAs) and Taiwan English teachers and conduct classroom visits to demonstrate teaching techniques. They plan training courses in cooperation with other English teaching professionals to improve teaching quality among Taiwan's English teachers and American ETAs.

In 2018-2019, the number of grantees has gone up to a record high of 221.

Education & Management For The Future

Nurturing education and management talent is crucial to keeping a society dynamic and competitive. Innovative ideas in education and management sustain Taiwan's development.

New Cultural Insights

Examine the layers of culture, discover new truths from the old, and compare in order to re-define the horizon.

Public Policy That Matters

In the past, Taiwan focused on wealth creation and democratic evolution.

Land, community, and health are newer concerns. New public policy research helps define tomorrow's society.

Cutting Edge Technology & Medical Research

Advanced academic research, medical research, and high technology collaboration is central to Taiwan-US academic exchange. Promoting cutting-edge advances secures the future.

Arts That Uplift

Art unlocks secrets to escape life's routine, a kiln enriches collective memories, brushes color our hopes, a melody transforms our spirt ... Through the creativity and innovation of artists, the new is revealed and the old is refocused.

U.S. Senior Scholars come to Taiwan on Fulbright grants to teach, to conduct in-depth research in many academic fields (applied policy/social sciences, arts, business, culture, education, humanities, information, media, and social sciences), and to develop lasting professional contacts at Taiwan institutions.

•• Fulbright Tree Planting Initiative

April 21, 2016 a tree was planted on Capitol Hill in DC Honoring Senator Fulbright. Fulbright Taiwan would like to extend the idea to planting on as many campuses and school grounds as possible. Arrange to plant a tree in the Senator's honor on your campus or at your alma mater during 2018-2019. A plaque will be donated by Fulbright Taiwan, and a record is kept.

Honor the Fulbright Program and Senator Fulbright and Help the Environment

Join your colleagues around the U.S. and Taiwan. Donate and plant a tree at your university, school, business location, public park, government office, etc

Instruction

Anytime in 2018-2019! We recommend spring or fall as the best planting seasons. Plant a decent size tree 1-4 inches. Choose a variety native to and emblematic of your location! Talk to the landscape planner/grounds keeper for hints. Care for it!

Use the tree planting to reach out to all Fulbright alumni, both on campus and graduates. Or, simply arrange a planting to add a little beauty and capture a little carbon! To go along, arrange a brown bag, small reception, panel, lecture, movie, etc. to talk about the Taiwan or the Fulbright vision. Perhaps an International Education Office, Development Offices, or East Asian Program would like participate.

Fulbright Taiwan will provide a commemorative plaque (bronze in the U.S., stainless in Taiwan). You can see the wording and picture here: http://www.fulbright.org.tw/60years/Fulbright_Taiwan_60_Tree_Planting.pdf

Keep us informed. Check below to see the record of tree plantings in the U.S., Taiwan, and perhaps around the world!
